

REMARKS

Applicant has carefully studied the outstanding Official Action mailed on May 27, 2009. This response is intended to be fully responsive to all points of rejection raised by the Examiner and is believed to place the application in condition for allowance. Favorable reconsideration and allowance of the application are respectfully requested.

Claims 1-3 stand rejected under 35 USC §102(b) as being anticipated by Tsadka et al. (US 6247259).

Applicant notes with gratitude the indicated allowability of claims 4-6 if rewritten in independent form including the limitations of the base claim and any intervening claims.

Applicant respectfully traverses the above rejection. However, for the sake of expediting allowance, claim 4 has been rewritten in independent form including the limitations of the base claim and any intervening claims. Claim 1 has been canceled and claims 2 and 3 now depend from claim 4.

Accordingly claims 2-6 are deemed allowable.

Applicant respectfully requests that a timely Notice of Allowance be issued in this case.

Respectfully submitted,

DEKEL PATENT LTD.
